Purchaser Agrees to ALL of the following: (1) Under no circumstances will this cat ever be sold or given away to a pet shop, raffle, research laboratory, or similar facility. (2) This cat shall not be allowed to roam outdoors freely at any time. (3) This cat/kitten is being purchased as pet quality and if show rights are granted, it is with no potential guarantees of any kind. (4) Purchaser agrees that this cat/kitten must be spayed/neutered by the age of 10 months of age if not already altered at time of purchase. (5) Purchaser agrees to provide immediate veterinary attention to the cat/kitten upon any signs of illness or distress. (6) The purchaser has examined this cat and found it to be in excellent health and free of parasites and has seven days from the time of purchase to have a qualified veterinarian confirm this.

Health Guarantee: The above cat/kitten is guaranteed to be in good health upon delivery and for 30 day after transfer. Seller will take back any cat having discovered it has congenital deadly defects. It is mandatory this cat/kitten be kept quarantined from other animals for 30 days. If this cat/kitten has been found to be medically deficient, such findings **MUST** be reported to seller immediately or within 24 hours. If cat/kitten is found to have life threatening problem or untreatable disease or birth defect, buyer must notify seller with a veterinarian certification in writing of exact nature of defect. Under no circumstances may this cat/kitten be euthanized if a condition is treatable or without permission from seller. If kitten dies during treatment or suddenly, replacement will only be made after a veterinarian has certified exact cause of death. This cat/kitten is up to date on all vaccinations.

BREEDERS are sold with a fertility guarantee. If cat/kitten is medically found to be infertile, it must be returned to seller and will be replaced with a kitten of equal quality.
